SPRING ART & GARDEN FESTIVAL, May 17

Call for Artists and Vendors

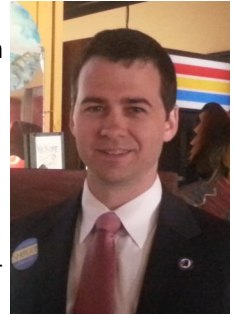

Headland will have a new festival this year on May, 17, the Spring Art & Garden Festival. It is an expansion of the former Daylily Festival and will feature an art show inside the park of Headland's beautiful downtown square with farmer's market and garden-related vendors to be situated on the perimeter. Entertainment, children's art activities and gardening demonstrations are planned. Local daylily growers Bush Gardens will conduct garden tours that day. Artists and vendors can download an application from our website, www.headlandal.com. Call or email for more information, 693-3303, rhonda@headlandal.com.
